

On behalf of the Government and the People of the Republic of Malawi, and indeed on my own behalf I would like to extend our profound congratulations to the Organization of the African, Caribbean and the Pacific States (OACPS) as it celebrates a historic moment of 45 years of existence.

The Organization has grown from strength to strength in its international co-operation and mandate to attain the goals of sustainable economic growth and development for all our countries and aspirations of all peoples.

It is for this reason, that Malawi celebrates the achievements and those to come through the OACPS in creating a world we all desire.

Malawi would like to assure the OACPS of its support and commitment towards the achievement of its goals and objectives.
